

WEDDING PRESENT? now what do you **REALLY** want?

wishsquares.com - a revolutionary new concept for **giving towards**,
and indeed **getting** what you **REALLY** want for your wedding gift.
(why not have the honeymoon paid for?)

Step 1: Decide what you **REALLY** want for your wedding present.

Step 2: Register at wishsquares.com and create your wishsquare.

Step 3: Through the site, invite friends and family to contribute to the gift you **REALLY** want by purchasing a square from your page.

Step 4: When all of the squares have been purchased or the big day has finally arrived, we'll pay out the cash and you'll fly off on a romantic honeymoon!
