## The Castle

The Castle is a modern mix of two to eight bed student apartments set in a prominent city centre location.

Fitted to the highest specification, the apartments include en suite bedrooms all with BT, Broadband and Sky TV points.

Future plans for shops, bars and restaurants along with further shared accommodation will make The Castle part of Sheffield's main student district.

All this just five minutes walk away from the main university campus, hospital, and the focal student area of the city.
