# A LETTER HOME...

See the fire damage shown in these photos.

## MAKE SURE THIS DOESN'T HAPPEN TO YOU.

*Dear Mam & Dad, we found a nice house to rent.*

*I have a great view from my room*

*Thanks for the new clothes and the computer*

*My friend's room has lots of light for her plants*

*You were right, the new bed is much better than my old futon*

*We want you to come and visit us soon!*

**Take care when using candles, you may fall asleep.**

**Dispose of cigarettes properly.**
