NIGHT LIFE

Of course you're going to be devoting most of your time to study and will barely have a moment when your nose isn't in a book...but what about those rare hours that you do have time to break free?

The great news is that Sheffield nightlife attracts clubbers from all over the country, with a vibrant pre-club scene and plenty of student nights throughout the year. There are clubs to meet the demands of even the most hardcore night owl - some of the most popular are listed here:
